

CENTREVILLE, Va. – You want that corporate party to be something special. We’re here to help.

If you live in the D.C. area, Best in Show DJs is a name you can trust in providing high quality music entertainment at an affordable price, guaranteed.

Right now, Best in Show DJs’ is matching all competitors’ prices as part of its grand opening celebration for shows booked through December 2009.

The company may be new, but Best in Show DJs’ founder Mark Woodall has been in the DJ business for more than 20 years. He will personally guarantee a commitment to excellence that is second to none.

“My philosophy is simple: Deliver world-class customer service. Every event. Every time,” Woodall says. “No event too big or small. We do it all!”

Besides corporate parties, Best in Show DJ’s also offers a full range of services for weddings, parties, karaoke events and clubs. You name it.

His staff is the best in the business. They’re made up of professional, friendly and experienced DJs, providing customers with the ultimate entertainment experience.

They use the newest state of the art equipment and always have a back up system on site.

Looking for specific types of music or songs? Say no more. Best in Show DJs also lays claim to having one of the biggest music libraries in the business. It’s growing every day.

Woodall’s commitment to personalized customer care isn’t just lip service. He means it. He loves to speak to every potential client personally. Contact us today!
